

Thoroughly Vacuumed Floors Without Effort

Keeping your carpets and hard floors clean is hard work, but nobody said you have to do it. With Roomba® Vacuum Cleaning Robots, you can enjoy beautifully vacuumed floors every day, the easy way.

Roomba 650

Roomba 770

Roomba 870

Roomba 880

Each Roomba® model thoroughly cleans every area of your floor multiple times, automatically picking up dirt, dust, hair and other debris and cleaning under your furniture every time it cleans.
