High-Speed, Wide-Format Label Printer for Heavy-Duty Use

## How to Print Postage using DYMO Stamps

with your DYMO LabelWriter<sup>®</sup> 450 Turbo, LabelWriter<sup>®</sup> 450 Twin Turbo or LabelWriter<sup>®</sup> 450 Duo label printer

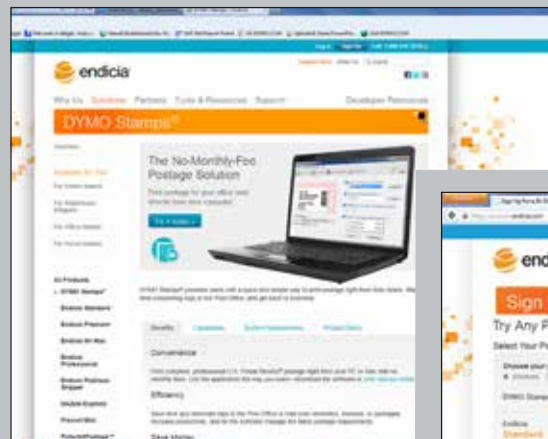

### Before you begin:

- Make sure your computer is connected to the Internet
- Follow the instructions in the LabelWriter Quick Start Guide for 'Unpacking your LabelWriter Printer,' and 'Connecting your LabelWriter Printer'
- Load your printer with DYMO Stamps labels. Follow the instructions in the LabelWriter Quick Start Guide for 'Loading Labels'

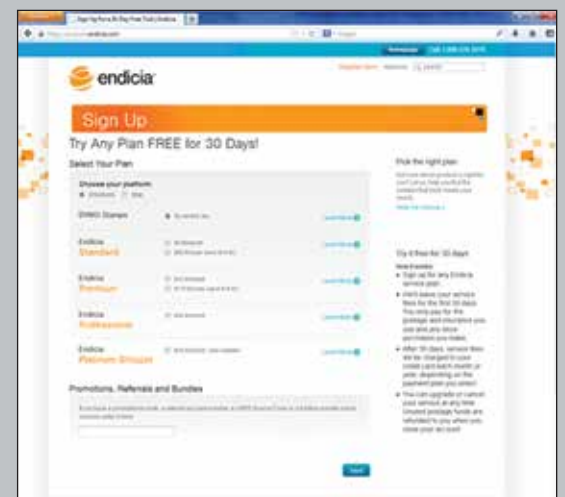

### Seven steps to printing the labels:

- 1 Open your Web browser to [www.endicia.com/dymostamps](http://www.endicia.com/dymostamps) and click 'Sign Up'

- 2 Select your platform (Windows or Mac). Next to DYMO Stamps select 'No monthly fee.' Then click 'Next'

- 3 Create the Endicia Account by entering your Contact Information, Postal Settings, Password and Security, and Payment Method

**IMPORTANT:** Make a note of the Endicia Password and Temporary Software Pass Phrase you create during this process.

Click 'Complete Sign Up.' In the next screen review your information and click 'Complete Sign Up' again. You'll receive a confirmation email containing your account number

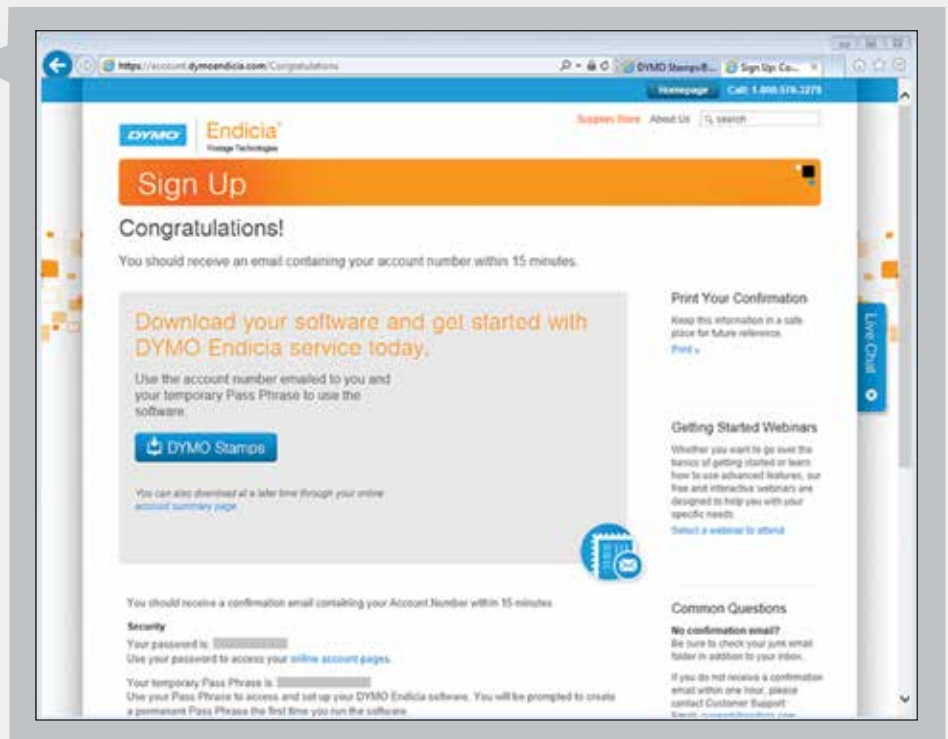

The screenshot displays the Endicia 'Sign Up' page. At the top, the Endicia logo and navigation links are visible. The main heading is 'Sign Up' in a large orange box, followed by 'Create Your Endicia Account'. The page is divided into several sections:

- Contact Information:** Includes fields for First Name, Last Name, Company (optional), Title (optional), Email Address, Confirm email address, Phone (not free for accepted), and Ext. (optional). A checkbox allows users to opt out of newsletters and promotional offers.
- Your Postal Settings:** Includes fields for Physical Address (Address 1, Address 2 optional), City, State, and ZIP Code. A checkbox indicates if the mailing address is the same as the physical address. A 'Post Office' section has an 'Auto Select' button.
- Password and Security Options:** Includes a section for 'Endicia.com Internet Password' with a 'Password' and 'Re-Enter Password' field. Below this is the 'Software Settings' section, which includes a 'Temporary Software Pass Phrase' field and a 'Security Question' field.
- Endicia Payment Method:** Includes a section for 'Credit Card' with fields for Card Type (American Express is selected), Card Number, and Expiration Date (01/2013).

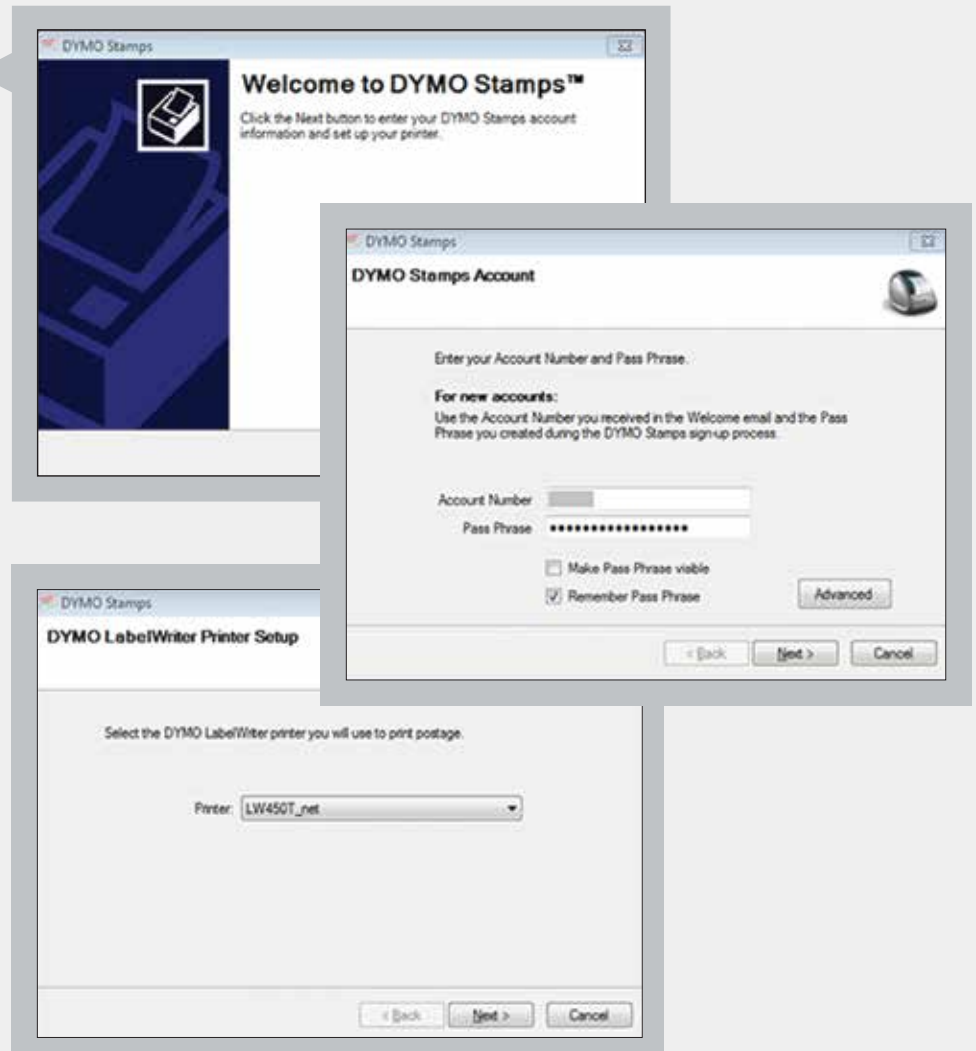

On the right side of the page, there is a 'You Have Selected' section showing 'Type: DYMO Stamps PC Account - No monthly fee, Domestic Monthly Rate: \$9.99 / month' and a 'Privacy Policy' link.

- 4 On the next page that appears, click the 'DYMO Stamps' button to download the DYMO Stamps software. Follow the Setup Wizard's instructions to install the software, clicking 'Next' after each step.

In the final Wizard screen 'Completing the DYMO Stamps Setup Wizard', make sure 'Run DYMO Stamps' is checked, and click 'Finish'

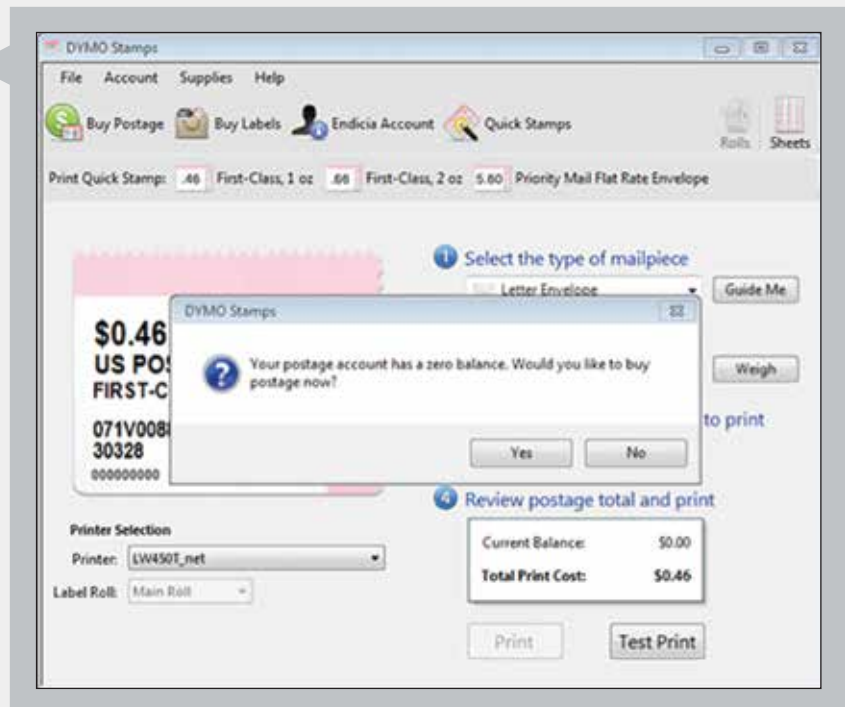

- 5 When the 'Welcome to DYMO Stamps' screen appears, click 'Next,' enter your account number (from the confirmation email) and pass phrase, click 'Next,' select your LabelWriter printer, and click 'Next' again to print a test. When you're finished click 'OK'

- 6 The first time DYMO Stamps launches it will ask you to purchase postage. (It will also prompt you to purchase postage whenever your balance is low.)

Select the amount to purchase and click 'Buy Now,' then click 'OK' when your purchase is confirmed

- 7 Print your stamps by following the simple 5-step process on the DYMO Stamps screen:

- Select the type of mail piece
- Select the postage value
- Select the number of stamps to print
- Review your postage total (to ensure your current balance covers the stamp cost), and
- Click 'Print'
