**Rhino® 6000**

Advanced Labeling Tool with PC Connectivity

## Get precision labeling results every time, in less time.

### Unmatched labeling power and versatility with PC connection.

Bring the tough, portable DYMO® Rhino™ 6000 to any jobsite – it's packed with time-saving shortcuts for labeling any installation quickly and professionally.

Use RHINO CONNECT™ software to create labels on your computer, and download them to your labeler for even faster labeling on site. The DYMO Rhino 6000 meets all ANSI and TIA/EIA-606-A industry labeling standards. Its exclusive, one-touch "Hot Keys" automatically format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, and vertical and fixed-length applications. The DYMO Rhino 6000 also prints 6 barcode types, has 250+ pre-programmed industry symbols and terms, and much more. Works with 32- and 64-bit Windows® XP, Windows Vista® and Windows® 7.

Hard Case Kit  
(see back for details)

### DYMO® | Rhino 6000 features:

- 1 Connects to PC via USB cable.** Use RHINO CONNECT™ software to create labels on your PC and download them to the labeler for printing on site
- 2 Meets all ANSI and TIA/EIA-606-A industry labeling standards**
- 3 Exclusive, one-touch "Hot Keys"** provide shortcuts to size, shape and format label text for electrical and patch panels, terminal and 110 blocks, wire and cable flags, horizontal and vertical wraps, vertical and fixed-length applications including 5 line print capability
- 4 Prints 6 different barcode types** including Code 39 and Code 128
- 5 Powerful Serialization**—Built-in wizards for simple and advanced serialization
- 6 Symbol library** with more than 250 pre-programmed industry symbols, terms, fractions and punctuation marks
- 7 Last-label memory** and storage for up to 1000 of the labels your use most

<b>Labels that stick and stay stuck.</b> DYMO Industrial labels are tough– jobsite tested and UL recognized. Labels won't smear or fade and are built with industrial-strength adhesives to resist moisture, UV light and extreme temperatures. Whether you are labeling to OSHA, ISO and ANSI color standards or labeling in harsh conditions, DYMO Industrial labels have you covered. DYMO Industrial labels are designed to work exclusively with Rhino printers and to perform on a variety of surfaces. <b>LEARN MORE:</b> <a href="http://www.dymo.com/industrial">www.dymo.com/industrial</a>		BLACK ON WHITE	–	18443	18444	18445	1805430

**RHINO 6000 SINGLE UNIT (BOXED)**

Part No. 1734519  
UPC: 0 71701 12173 8

**Box includes:**

- Rhino 6000 printer
- 1" black on white vinyl label cartridge
- Rechargeable lithium-ion battery
- AC adapter
- Quick Reference Guide
- Registration card

**Product specifications:**

- 1 year limited warranty
- Unit weight: 4 lbs
- Units per master carton: 3
- Master carton dimensions (LxWxH): 12" x 12" x 11"
- Master carton weight: 14 lbs

**Optional Accessories:**

- RHINO CONNECT™ software Item# 1738636
- AC adapter Item# 15519
- Battery Item# 1738637
- Hard Case Item# 1738638

**RHINO 6000 HARD CASE KIT**

Part No. 1734520  
UPC: 0 71701 12174 5

**Hard case kit includes:**

- Rhino 6000 printer
- Rhino connect software
- Durable hard carry case
- 1" black on white vinyl label cartridge
- 3/8" black on white vinyl label cartridge
- Rechargeable lithium-ion battery pack
- AC adaptor and USB cable
- Quick reference guide
- Registration card

**Product specifications:**

- 1 year limited warranty
- Unit weight: 5.4 lbs
- Units per master carton: 3
- Master carton dimensions (LxWxH): 19" x 14.2" x 13"
- Master carton weight: 18 lbs
