

Aircel Warranty Statement

Aircel warrants that its Standard Refrigerated Air Dryers, and Nitrogen Generators are free from defects in materials and workmanship for two years from the date of invoice. All other Aircel standard products (Chillers, filters, drains, differential pressure gauges, after coolers, oil/water separators, spare parts, and components and custom engineered products) are warranted to be free from defects in materials and workmanship for one year from date of invoice. Aircel warranty excludes damages due to corrosion, lack of proper maintenance, incorrect installation, modification, or misapplication of equipment. Routine maintenance or adjustment required under normal operation as outlined in the Aircel operation and maintenance manuals are not covered under warranty. Aircel having been given adequate opportunity to remedy any defects in material or workmanship in accordance with Aircel Warranty Policy and Procedures, Aircel retains the sole option to accept return of the goods, with freight paid by the purchaser, and to refund the purchase price for the goods after confirming the goods are returned undamaged and in usable condition. Such a refund will be the full extent of Aircel liability. Aircel shall not be liable for any other costs, expenses or damages whether direct, indirect, special, incidental, consequential or otherwise. The terms of this warranty may be modified only by a special warranty document signed by a Director, General Manager or Vice President of Aircel.
