

BRAKES

ULTRA PREMIUM SEVERE DUTY ROTOR

EMERGENCY SERVICE DUTY

MEETS LAW ENFORCEMENT REQUIREMENTS:

- Pursuit Performance
- High Speed Braking
- Noise Abatement
- Provides Exceptional Wear

EXCLUSIVE DESIGN & TECHNOLOGY:

- **Carbon+ Metallurgy**
 - Chromium and carbon rich balance for superior heat stability
 - Minimizes brake fade
 - Dampens noise
- **Patented Concentric Groove Finish**
 - Improves pad bedding for optimum performance.
- **OE vane configurations**
 - Matches original equipment design to compliment existing brake components.
 - Provides efficient air flow for cooling.
