Posi Lock Warranty Policy

Posi Lock forged Parts (jaws and t-handle) carry a lifetime warranty. All other Posi Lock parts and components are guaranteed for one year against defects in materials and workmanship to meet the exacting standards and requirements of professional maintenance.. Every product manufactured and/or sold by Posi Lock found to be defective (by the factory) in either material or workmanship, will be repaired or replaced.

The forgoing constitutes the only warranty made by the company. Furthermore, any product the has been abused, worn out, heated, ground on or otherwise altered, or used for a purpose other than that for which it was intended, will not be covered by this guarantee.

Customer is responsible for all freight charges involved.

This is Posi Lock ® Puller, Inc only warranty.
