

NAPA BATTERIES

POWER SPORTS BATTERIES LIMITED WARRANTY POLICY EXPLANATION

1. The Seller Warrants to the original Purchaser that this NAPA Battery, when equal to or exceeding the manufacturer's recommended size and capacity for the vehicle in which it is used, is free of defects in material and workmanship.
2. The Seller is either the NAPA AUTO PARTS store or Authorized Distributor who makes the final sale to the end user.
3. Replacement is made only when the battery is defective due to faulty materials or workmanship (NOT MERELY DISCHARGED). The store must perform the appropriate testing with the proper test equipment to determine the true battery condition. In addition, it may be necessary to charge the battery before a determination of the battery condition can be made.
4. When a battery is discharged only, it will become serviceable by bringing it up to full state of charge.
5. **THE WARRANTY DOES NOT INCLUDE:**
 - A. Improperly tested or untested batteries.
 - B. Batteries that are discharged only.
 - C. Failure caused by poor maintenance (i.e. low water caused by over charging).
 - D. Broken cases, which include cracked cases, broken posts, pulled out side terminals, etc.
 - E. Batteries which are frozen or have been frozen.
 - F. Batteries damaged by explosions, fires and collisions.
6. The replacement should be made with **another battery** of similar size and capacity. This Warranty is effective for the manufacturer's designated warranty period from the date of purchase as follows:
7. A **FREE REPLACEMENT** is made when the defective battery is brought in for claim:
 - A. Factory Activated Power Sport Batteries are warranted for 6 months
 - B. Conventional Power Sport Batteries are warranted for 12 months.
