

## DriveAlign<sup>®</sup> Automatic Belt Tensioner **Product Features**

As a global leader in Original Equipment (OE) System Design, the manufacturer of NAPA Belts/Hoses ensures that every tensioner manufactured is built to rigid tolerances and specifications that guarantee OE fit, form and function.

- Patented vibration damping system extends tensioners, belts and accessory life.
- Torsional round spring design provides consistent tension and does not allow contamination.
- Manufactured using the same technology as Original Equipment Manufacturer (OEM) part, ensuring a factory match.
- Full line coverage for Import, Domestic and Heavy-Duty applications.
