Unicoil™ Hose Bending System

Bend Straight Hose Into Any Shape

Now your customers can make their own custom hoses, using our stock heater hose and the new, patented Unicoil hose bending system. Unicoil is perfect for customized engines, out-of-stock situations and one-of-a-kind routing problems.

- Available in various sizes
- No tools or special equipment needed
- Great for modified or customized engines
- Prevents kinks in tight hose bends
- Perfect solution when custom molded hose isn't available
