

## POWERLINK™ Premium Drive Belts

POWERLINK™ belts are now available in the aftermarket and made with the same fit and performance as the OE belt. Two types of belts are available:

CONVENTIONAL BELT — OE-equivalent performance and durability

PREMIUM BELT — longer durability for higher performing applications

POWERLINK™ belts ensure:

- fast and easy acceleration
- fuel efficiency
- quiet-running operation
- smooth shifting
- wear resistance

New POWERLINK™ drive belts are specially designed for a variety of motorized continuous variable transmission (CVT) applications, including:

- Street legal step-through Scooters
- ATVs
- Go-Karts
