**PRESS TO REFRESH: CONTIGO® INTRODUCES NEW, ONE-TOUCH WATER BOTTLE**  
*New AUTOSPOUT® Water Bottle Offers One-Handed Hydration Just in Time for Summer*

**CHICAGO, June 8, 2015** – Staying refreshed and hydrated this summer will be as simple as the push of a button. Contigo®, the leading producer of branded reusable beverageware, is expanding its already diverse water bottle line with a new one-touch hydration solution – the AUTOSPOUT® Ashland water bottle.

“With the improved Ashland, our engineering team created the next generation of our successful AUTOSPOUT franchise that incorporates several consumer-preferred enhancements.” said Todd Starr, Vice President of Marketing and Product Development at Newell Rubbermaid, parent company of Contigo. “As a result, Ashland is feature-rich with a smart, easy-to-use design, making it the perfect companion for staying active and hydrated this summer.”

Passionately engineered to offer consumers one-handed, on-the-go hydration, the AUTOSPOUT Ashland water bottle is equipped with several user-favorite features, including:

- Angled, screw-in straw that reaches to the bottom of the bottle, making sure consumers never leave a drop behind
- AUTOSPOUT button for easy, one-handed use
- Carry clip that attaches conveniently to bags, backpacks and luggage
- Protective spout cover to keep out dirt and germs
- Button lock and added lip prevents accidental pressing of the AUTOSPOUT button
- Top-rack dishwasher safe
- Available in 24 oz. (\$12.99) that fits most car cup holders, 32 oz. (\$14.99) and extra-large 40 oz. (\$16.99) capacities

The AUTOSPOUT Ashland water bottle will be available in late June at retailers nationwide and at [GoContigo.com](http://GoContigo.com).
