BETH MOORE

FAQ for AUDACIOUS BOOK

What is Audacious?

Audacious is the newest book written by Beth Moore. She wrote it specifically thinking of YOU, the simulcast audience! *Audacious* is an exclusive pre-release for simulcast participants! This is the very first time we have had a book that was connected to the message of her simulcast. We are thrilled to offer participants the opportunity to gain exclusive access to the book before the public release.

What is Audacious about?

Thirty years in the making, *Audacious* is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

Do I have to have the book in order to participate in the simulcast?

No, the book is completely optional! *Audacious* is a great way to continue personal reflection and discussion following the simulcast but is not required.

Can I read Audacious before the simulcast?

Beth wrote this book with simulcast participants in mind with the idea that it would be used as a follow up to her message on that day. The book is a great way to continue walking out the weekend's theme through personal reflection or group discussion. While it is possible that some could receive their book before the event, we do not recommend spoiling the simulcast message by reading it beforehand!

I purchased a ticket to a church's simulcast event. Will I be able to buy an *Audacious* book at the church?

First of all, we are so glad you are joining one of our local church hosts! There is something very special that happens when women join together from a community and unite churches!

To answer your question, some of our churches will have books available on-site. However, since the book is not required, some hosts may choose not to sell at their location. If books are not available at your location, or your host runs out of books, the host will share with how to place an order as a simulcast participant.
