There is no right or wrong way to journal in your Bible. Again, it is all about taking time to read and discover God’s Word. Following are a few practical steps and questions to guide you in your time.

**SCRIPTURE FOCUS TODAY:**
Trust in the Lord with all your heart, and do not rely on your own understanding; think about Him in all your ways, and He will guide you on the right paths.
Proverbs 3:5-6, HCSB®

**Step 1**
Pray, read, and reflect on the Scripture. In what ways does this Scripture apply to you and your life right now?
Think about how you visualize these key words. For example, with the word “LORD,” you can use very strong lettering while with the word “heart,” you might use cursive writing and add a heart around it. Be creative!

Step 2

Pick out words in the Scripture that stand out to you. Let’s call them key words. For example: “trust,” “Lord,” “all,” “heart,” etc. These words might stand out to you more than the others. Write those below.

Step 3

Sketch out your drawing with the pencil. You can, of course, use a pen if you are comfortable doing so.

TIP: You can do this step in your Bible. If you are not comfortable writing in your Bible yet, you can do this on an extra piece of paper. After you’re finished, re-sketch the drawing in your Bible or tape the art in your Bible using Washi tape for a neat look.

Step 4

Once you have drawn with the pen, use color to fill in your design. Watercolor, colored pencils, Crayons, or whatever else you feel comfortable with are great options for color.

TIP: When using watercolor, it is always best to put an extra sheet of paper underneath to eliminate bleed. Having a paper towel handy to blot excess water is also helpful. If you use watercolor, be careful not to touch the portions of your page that are in ink because it will cause the ink to bleed.

Step 5

Add any other elements to your page that you would like. Stickers, stamps, fun borders, and more will help brighten your page.

TIP: Consider marking pages with Washi tape. You can use the Washi tape on the edges of your page to help the pages in your Bible stand out.

Step 6
Feel free to trace over these examples from Scripture. Don’t be afraid to use colors, test out pens, and make these sketches your own!
