The more we know Jesus, the more we love Him. The more we love Him, the more we obey Him. The more we obey Him, the more He manifests Himself to us.

Jesus is always praying, spending time with the Father.

Jesus discloses His identity in an amazing way.

What Jesus is saying, without saying anything, is that He is God.

Jesus calms fears by saying, “Don’t be afraid.”

I AM is the verb *to be*. God always is, He always was, and He always will be. He’s always in the eternal present.

Faith is believing and having confidence that God's word is true and understanding that when you act upon that faith, it brings God's blessing.

Faith is founded upon the word of God.

Faith in God is always expressed in action.

The opposite of faith is not disbelief. The opposite of faith is disobedience.

Faith is not just believing in spite of evidence. Faith is obeying in spite of the consequences.

God's divine instrument for conforming us to the image of Jesus is pain and suffering.

Trials are used by God not to make us bitter. God uses trials in our life to make us better.

God takes away anything that doesn't accomplish the most growth in our lives.

### **The Difference Between Pruning and Disciplining**

Pruning is for when you see potential.

Discipline is for when you see sin.

Both are equally painful, but they are for a different purpose.

The more you abide, the more you desire to pray. The more you pray, the more you want to abide.

The busier Jesus got, the more He prayed.

Jesus doesn't say, "This is the way." Jesus says, "I am the way."

The Christian life is a walk.

## **You Are Important to God**

He made us in His image.

He gave us a promise.

He's preparing a place in heaven for us.

He's coming back to get us.

The kingdom of God was not locational. It was incarnational.

The Hebrews knew that the kingdom of God was not just a Person in Jesus, but it was a power and a presence.

The kingdom of God is not a future place you have to wait to go to. It's a present power in your life today.

When God is ruling and reigning in our life, when God is calling the shots, that's how the kingdom comes today.

If a person is born once, they die twice. But if you're born twice, you only die once.

While Jesus' death is sufficient for all, it's only effectual for those who repent and believe.

## **Why Thomas Was a Seeker, Not a Doubter**

Thomas was devoted to Jesus.

Thomas desired to learn about Jesus.

Thomas's doubt leads to belief.

Thomas is not an unbelieving cynic. He's a distressed believer.

Thomas is longing for one final encounter with his rabbi, Jesus.

God can use our skepticism to deepen our faith.

It's not how you start. It's how you finish.
