

HOLY BIBLE

You've
got mail.

It's not often we're encouraged to read other people's mail. But the letters in Revelation to seven churches of Asia contain valuable direction for our churches today. Through the new Bible study *Letters of the Revelation*, you'll learn about the challenges of the Church in the first century. You'll understand the historical context for applying the teachings of John's revelation. And you just might awaken from spiritual deadness in your own life and embrace the mission God still has for His Church.
