## MINISTRY TO MEN IS NOT ALWAYS A “MEN’S MINISTRY.”

Not every healthy church has a formal “men’s ministry,” but every healthy church ministers to men. Ministry to men must be a priority and a passion, not merely a program. Healthy ministry to men connects, disciples, challenges, and ultimately sees men transformed by the power of Jesus.

### CONNECT – EVERY MAN NEEDS OTHER GODLY MEN.

Men need to be connected to others in biblical community. The Main Event—LifeWay’s Conference for Men—helps churches connect men with each other through a transformation experience with Jesus Christ!

### DISCIPLE – EVERY MAN NEEDS TO GROW.

Church leaders must labor, with His energy, to present men mature in Christ through groups, classes, or mentoring. LifeWay Men Resources are rooted in Scripture and tailored to help church leaders guide this process.

### CHALLENGE – EVERY MAN NEEDS A HOLY MISSION.

God created men to have a mission; thus, men look to conquer, to subdue, and to lead something. LifeWay Men authors and speakers are men who have used their diverse platforms to proclaim Christ! We partner with men who can teach and model life on mission.

### TRANSFORM – EVERY MAN HAS A MASTER.

As men are connected, discipled, and challenged, the Lord does His transforming work. Every man has a master, something or someone that he lives for. As men are transformed, the Lord rules and reigns over every aspect of their lives with “ever increasing glory.”

Thank you for allowing LifeWay Men to help you minister to men! Let us know how we can serve you and your church!

## Kingdom Man Every Man's Destiny, Every Woman's Dream

Our culture has redefined manhood by emasculating men through a repositioning of the role. Men are portrayed as weak, self-serving, and unfocused. This six-session Bible study is designed to empower men to exercise the God-given dominion they were created for by giving them a Kingdom understanding, vision, and perspective on their identity and responsibilities, along with practical steps on how to become a man who rules his world well. (6 sessions)

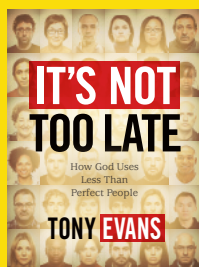

## The Power of God's Names

Getting to know God's names is more than simply getting to know words or titles. Getting to know God's names opens up the door to knowing God more fully and experiencing Him more deeply. God has a name for any and every situation that you find yourself in. By knowing His character and His capacity, you will discover both peace and power in His covenantal care. (6 sessions)

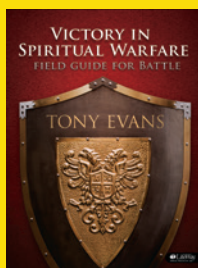

## Kingdom Agenda Living Life God's Way

The Christian message—when communicated from a comprehensive Kingdom perspective—provides an agenda that can stand next to and above all other attempts to define the meaning of life, whether for the individual, the family, the church, or the nation. This six-session Bible study can serve as a comprehensive blueprint for the Christian life and an all-encompassing discipleship tool, offering a way to apply biblical Kingdom principles to everyday realities. (6 sessions)

## It's Not Too Late How God Uses Less Than Perfect People

God frequently uses broken people to accomplish His purposes on earth. You too can learn to focus on the potential of your future, not the missteps of your past. (6 sessions)

## Victory in Spiritual Warfare Field Guide for Battle

“Spiritual warfare” is defined as “the cosmic conflict waged in the invisible, spiritual realm which is simultaneously fleshed out in the context of the visible, physical realm.” In this eight-session Bible study, Pastor Tony Evans pragmatically teaches Ephesians 6:10-18, providing application so that believers can stand against the devil's tactics by putting on the full armor of God. ## What Are You Afraid Of?

### Facing Down Your Fears with Faith

The question “What are you afraid of?” can be translated “What is it that immobilizes you? What is stealing your joy and destroying your hope? What is robbing you of sleep night after night? What keeps you from living by faith and being a risk taker? What keeps you from giving your life wholly to a loving God who wants nothing but the best for you?”

This study will help you rely on God as the answer to all your fears. Through video teaching by David Jeremiah, group discussion, and the application of biblical principles, you can find truth that sets you free to live the fearless life God created you to enjoy. (6 sessions)

## The Two-Minute Drill to Parenting Molding Your Son into a Man

At some point every parent realizes that his time of daily influence is growing short and wonders if his son is ready for manhood. This eight-session Bible study will help you prepare your son to be the man God has created him to be. Based on Croyle's life and experience parenting more than 1,800 troubled, abused, and neglected children at the Big Oak Ranch for Boys and Girls—as well as parenting his two biological children—John drills down into seven actionable life principles drawn from the word “manhood” itself:

**M – Master**

**A – Ask and Listen**

**N – Never Compromise**

**H – Handle Responsibility**

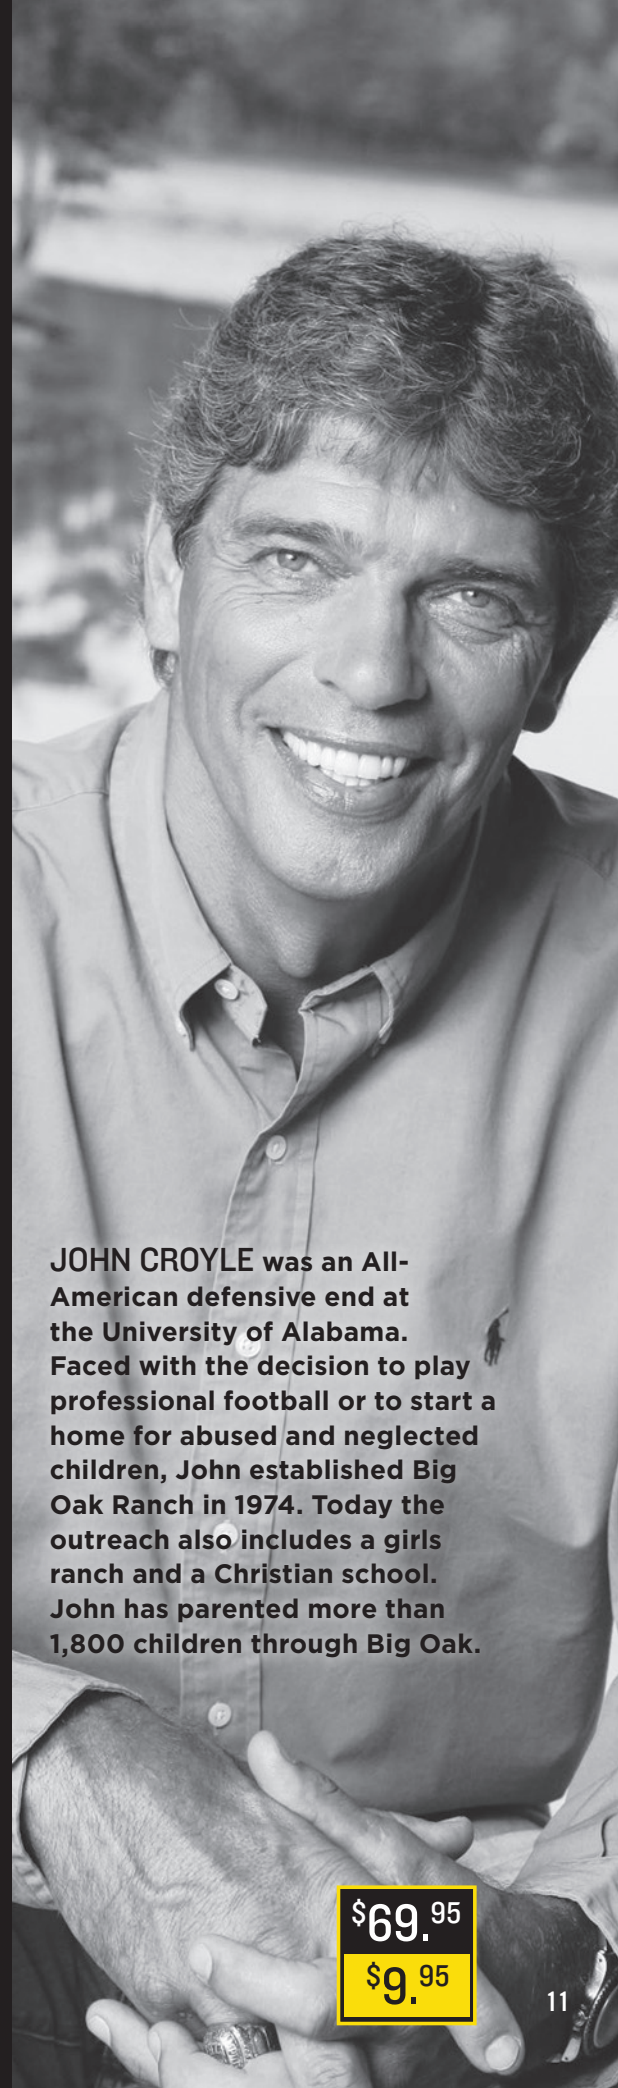

**O – One Purpose**

**O – One Body**

**D – Don't Ever, Ever, Ever Give Up**

## Recovering Redemption How Christ Changes Everything

Do you wish you were growing more than you are, understood things more than you do, and had a greater hunger for the things of God? All of us have a sense of dissatisfaction. And we typically look for solutions in four areas: self, others, the world, and religion. But none of these will satisfy. *Recovering Redemption* is about recovering what is lost and broken—our relationship with Jesus—because the gospel is the remedy to fix all things: every struggle, every circumstance, every relationship, everything. Those who have been Christ followers for years will find that it helps connect the dots of their faith, serving as a bridge between salvation and maturity. It's also an essential study for new believers. (12 sessions)

**MATT CHANDLER** serves as the Lead Pastor of Teaching at The Village Church in the Dallas/Fort Worth metroplex and is the author of *The Explicit Gospel*.

HOW THE GOSPEL MAKES MEN WHOLE

ERIC MASON

## Manhood Restored

How the Gospel Makes Men Whole

Manhood will always be in crisis until Jesus returns. But in Christ, men can be restored to the undefiled image of God. We need more than quick pragmatic conclusions to change the shape of how men are developed. We need a big God to point us in the direction of the gospel as the vision for renewal. This eight-session Bible study explores the current state of masculinity, Jesus as the prototype man, and how the gospel can re-create us into what God intended us to be. (6 sessions)

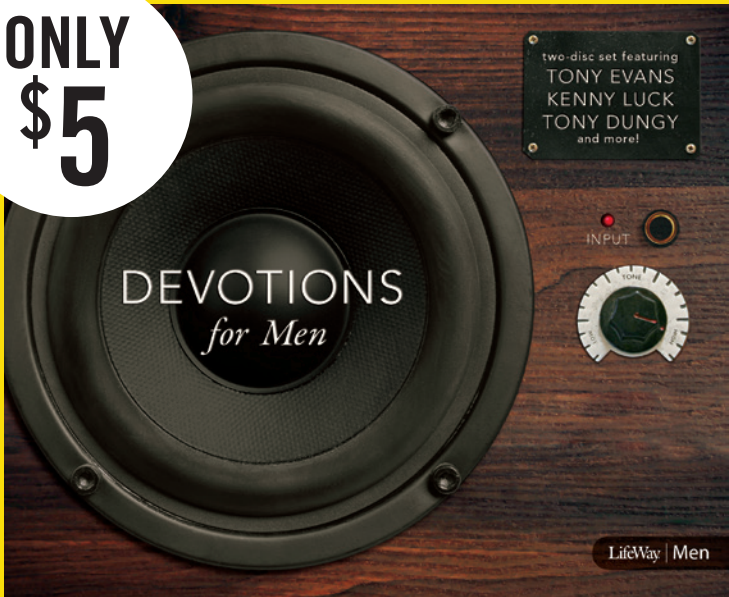

DR. ERIC MASON is the founder and lead pastor of Epiphany Fellowship Church in Philadelphia, Pennsylvania and the president of Thriving, a ministry for ethnic minorities.

# KENNY LUCK

## Sleeping Giant

*Sleeping Giant* is an intentional men's strategy for moving men from merely "affiliated" to "activated" for the mission of your church. It includes four steps: Get In, Get Healthy, Get Strong, and Get Going.

The first step in the spiritual pathway—Get In—is the catalytic funnel that (1) motivates men, (2) shares a vision, and (3) gets men into groups. The final stage is Get Going, in which healthy, strong, trained men are deployed to serve the church and carry out their mission in the world to aggressively share the gospel. The two middle steps are highlighted below, along with key resources connected to each part of the strategy. (6 sessions)

**KENNY LUCK is men's pastor, founder and president of Every Man Ministries, which helps churches worldwide develop and grow healthy men's communities.**

# GET HEALTHY

\$19.95

\$8.95

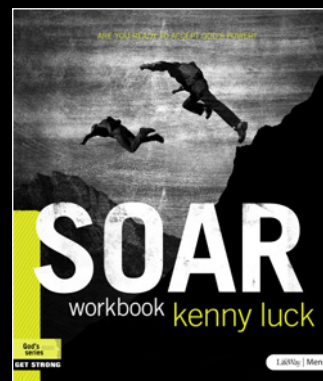

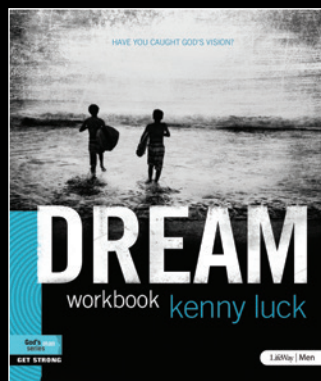

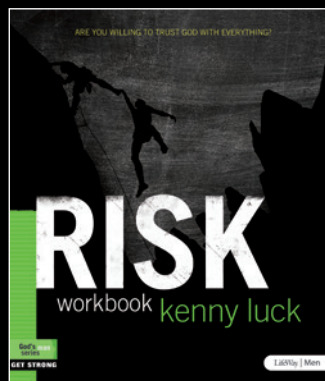

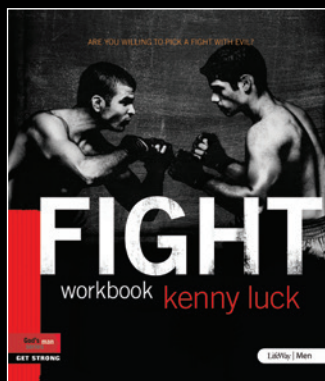

The Get Healthy stage involves defining and meeting a man's felt needs and helping him get a "win" that is meaningful to him. In a group context and with group safety and support, men need to go after core health in their own character and relationships first. This involves an open discussion of temptation and compromise (moral health), their views of women and marriage (marital health), their leadership in the home (family health), and how masculine friendship and accountability work (relational health). (8 sessions each)

# GET STRONG

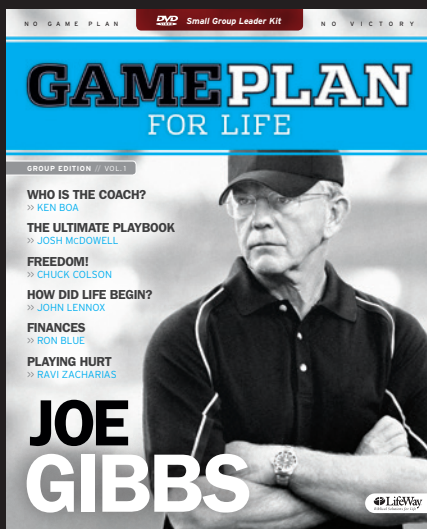

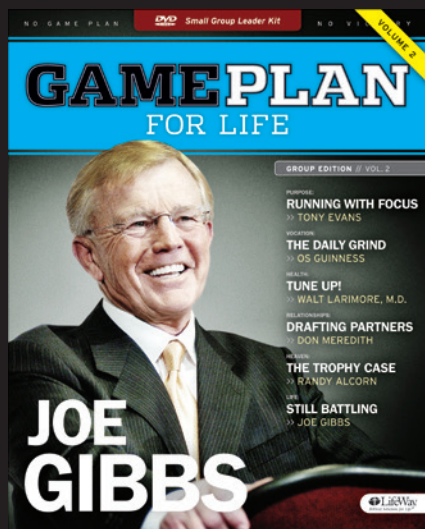

\$34.95

\$10.95

Once a church has defined and met the felt needs of a man, the transformational capital earned by the church in that man's life needs to be spent on leadership development and the call for that man to Get Strong. Throughout the Get Strong courses, men will feel themselves going to the next level of commitment personally, spiritually, and practically in ministry. Strong spiritual formation leads to strong spiritual expression of the Great Commandment and Great Commission. (8 sessions each)

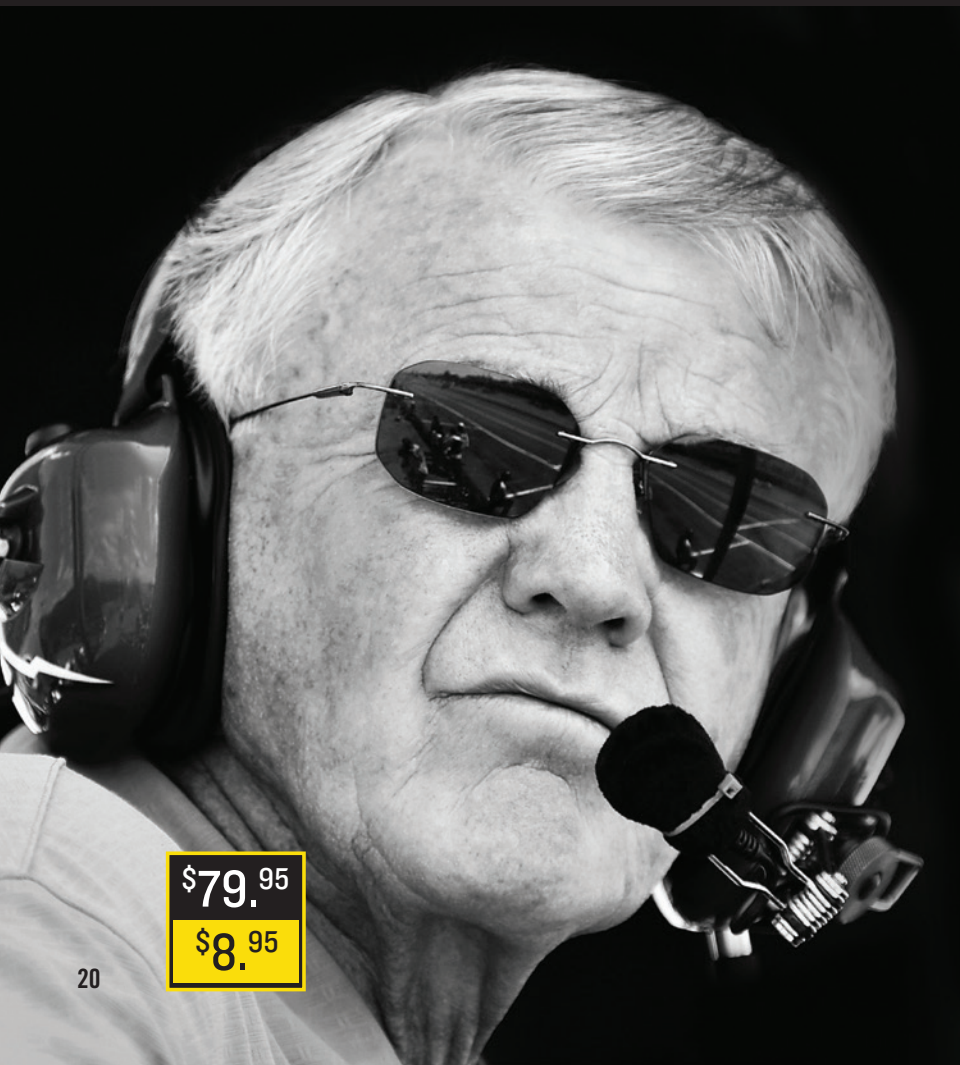

# JOE GIBBS

## Game Plan for Life

Create an ideal game plan for your life with the help of Joe Gibbs and his team of experts, including Josh McDowell, Tony Evans, Randy Alcorn, Os Guinness, Walt Larimore, Ravi Zacharias, Chuck Colson, and more. (6 sessions each)

**AUTHOR MARK MERRILL** is president of Family First, which includes *All Pro Dad*, *iMOM*, and *Family Minute*.

### All Pro Dad

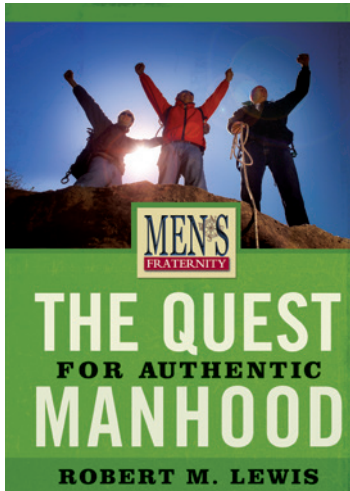

Just as knowing the fundamentals of football is the foundation of a good season, knowing the fundamentals of who you are as a man is the foundation of a lifetime of good parenting. Fatherhood fundamentals start with men knowing the 7 Ms—Makeup, Master, Mission, Message, Motive, Method, and Model. Becoming an *All Pro Dad* will lead men on an eight-week exploration into the 7 Ms. These seven fundamentals will help every father expand his capacity to love and, in turn, lead in his most important job—being a dad. # MEN'S FRATERNITY

What began as a weekly meeting of men searching for answers is now impacting over a million men in more than twenty thousand locations worldwide.

## The Quest for Authentic Manhood

The first of the series, this Bible study leads men along a journey toward real biblical masculinity while fostering deep spiritual, emotional, and personal growth. This study also takes a man inside himself to consider the forces that are shaping—or misshaping—his personal manhood. (24 sessions)

## Winning at Work & Home

This Bible study focuses on the chief responsibilities men have as husbands, fathers, and breadwinners. Two mirrors are presented to help men evaluate how they are doing in life: the mirror of work and career, and the mirror of home and family. (16 sessions)

## The Great Adventure

This final study helps men break free from the bondage of boredom and rediscover the exciting purpose that God has for them. Men will come to understand how they are wired and how to move forward with energy and enthusiasm to face the challenges of biblical manhood. (20 sessions)
