

## GROUP LEADER INFORMATION & BENEFITS

Bringing a group to a large event can be both rewarding and challenging. Here are a few suggestions to help make this a great experience for you and your group.

### I'm Bringing A Group...

#### WHEN do I start?

The sooner you get started the better. You will want plenty of time to plan and create a group experience so that as many people as possible can join you. Begin talking to women and generating interest as soon as you hear about the event.

#### HOW do I get started?

Purchasing for your group:

- 1) Join the event Network and begin receiving key information about the event and different ways your group can be involved beforehand through a fun newsletter!
- 2) Create a sign-up sheet for your group. It should include name, address, cell phone, email, and transportation and hotel needs, if applicable.
- 3) Ask for a deposit from each lady who signs up. Keep an eye on early bird pricing dates and tax amount (if applicable).
- 4) Purchase your group's wristbands.
- 5) Collect the balance from each person.
- 6) Distribute the wristbands prior to the event.
- 7) Schedule a location to meet up once you arrive.
