

How to raise a boy—from the man who's raised over a thousand.

At some point every parent realizes that their time of daily influence is growing short and wonders if their son is ready to be a man. *The Two-Minute Drill to Parenting* is John Croyle's game plan to help moms and dads make sure their sons are ready for authentic manhood. This study is based on Croyle's life and experience parenting more than 1,800 troubled, abused, and neglected boys and girls on the Big Oak Ranch, as well as his two biological children, Reagan and Brodie. If you have a boy in your home, you'll want to be in this study.
