

~~Just my luck. He's walking this way. Well, I guess
today is the day. I will finally tell him about
Jesus. Okay, you can do this. Wait. Does my
breath stink? No, someone would have told me. I
did have onions at lunch. And garlic. I'm not sure
how to do this. Here he comes. Why is he
looking at me like that? Help me Jesus to say
the right things. Wait. I wonder if there's food in
my teeth. There has to be something wrong. Just
smile. Don't stare. You're scaring him. Yep, he
changed direction. Wait, he's coming back. I can't
feel my tongue. Stop holding your breath. I'm
sweating. This is so hard. Maybe I should wait.
It's not like his life is going to end today.~~
