JESUS TAUGHT ABOUT ATTITUDES

MATTHEW 5:1-12

One day a crowd of people was following Jesus. He climbed up the side of a mountain and sat down. His disciples gathered near Him. Jesus began to talk about how God wants His followers to live. Jesus said, "Happy are the people who trust God to make them strong. Happy are the people who feel sorry when they do wrong or when things go wrong. God will comfort them. Happy are the people who depend on God."

"Happy are the people who want everyone to do what is right. Happy are the people who forgive others because God forgave them. Happy are the people who live in ways God wants them to live."
