

BEAUTY BY MANDARIN ORIENTAL

Mandarin Oriental Pudong, Shanghai is delighted to welcome the renowned brand CACI to the Spa, offering a range of luxurious and exclusive beauty treatments at the forefront of new scientific and technological breakthroughs.

CACI is a leading global brand since 1990, known as the original “non-surgical face-lift” and deliver visible and corrective results. Treatments include reduction of wrinkles, firming and improvement in complexions and helps reduce the appearance of stretch marks and scar tissue.

CACI works with a philosophy that complements The Spa at Mandarin Oriental Pudong, Shanghai.

All Treatments commence with a complexion analysis to diagnose a facial to suit your individual needs.

FACE

TARGETED LIFT

1 hour

Working with the micro current and wrinkle comb, the therapist will concentrate on specific areas of concern such as eye area, jawline, neck and lines around the mouth, leaving the face looking and feeling firm and smooth.

EXPRESS HEALING

1 hour

The combination of ultrasonic peel, the healing energy of red LED light and the calming action of blue LED light therapy enhances tissue repair and is ideal for reducing active acne blemishes, scarring and hyper pigmentation.

INTENSIVE LIFT

1 hour 30 minutes

The science of CACI in combination with our results orientated organic

product line Amala creates a facial treatment with exceptional results. Micro currents re-educate tired muscles by lifting and toning to create a visible and immediate result for both the face and eye areas. Crystal free microdermabrasion and ultrasonic peeling technology reduces skin imperfections while concentrated red or blue LED light therapy assists in building additional collagen and heals acne scarring and blemishes.

FACE AND BODY DUET

1 hour and 30 minutes

Simultaneous use of pads and probes target both face and body areas, making for an effective treatment that saves you time.

BODY

CONTOURING BODY TREATMENT

1 hour

Gives a contouring effect on the body, it is ideal for someone wanting to lose weight and works very well in conjunction with diet and regular exercise.

TONING BODY TREATMENT

1 hour

Recommended for someone who does not need to lose weight but would like to be more toned. It can be used on the stomach, bust, thighs, hips and buttocks to help strengthen and lift muscles to provide a tightening and firming effect.

ANTI-CELLULITE

1 hour

Targets cellulite, fluid retention and stubborn fatty areas such as thigh and buttocks helping to improve skin texture and firmness.

LYMPHATIC DRAINAGE

1 hour

Specifically designed to stimulate the lymphatic flow, speeding up the removal excess fluid from tissues and toxins from the body and helps revive sluggish circulation, assisting in improving and preventing surface veins.

TREATMENT ADDITIONS

COMPLEXION ANALYSIS

30 minutes

A diagnostic tool to determine your skin's current health through non – invasive photographic imagery. This analysis machine can detect problems that have yet to emerge on the surface of your complexion providing qualitative reports to take the guesswork out of determining the best treatments for your skin type. A progression report is provided to determine the progress of skin care treatments undertaken to measure improvement results over time.

The expert hands of professional therapists hold the supreme power of touch to tone, relax, firm, contour and rejuvenate your skin during every treatment. All treatments start with a complete skin analysis to select the best treatment according to your individual needs.

A magical experience every time and the best response to all your beauty concerns.

FACE

YOUTHFUL LIFT FACIAL TREATMENT

1 hour

A youth recovery treatment that boosts skin's vital functions containing hop tree extract, known for its energising and skin-firming benefits, delivering exceptional skin toning to help diminish the visible appearance of lines.

WHITENING FACIAL TREATMENT

1 hour

A whitening treatment that restores skin's brightness and luminosity. Regular sessions inhibit hyper-pigmentation, resulting in a fairer, clearer and more beautiful complexion

ULTRA-HYDRATING FACIAL TREATMENT

1 hour

A rehydrating treatment to supply intense moisture to dehydrated skin. Active extracts from the Katafray tree improves the skin's ability to create a protective barrier, holding moisture in the outermost layer and preventing dry, flaky skin conditions. It nourishes and softens skin to revive and restore radiance, softness, suppleness and comfort.

LUMINOUS EYES

30 minutes

A complete eye treatment to decongest, smooth and freshen the eye contour area, reducing signs of fatigue and fine lines.

BODY

REDEFINING BODY TREATMENTS

1 hour

A collection of intensive, stimulating treatments that refine and define body contours for youthful firmness and a lighter-feeling body. After a thorough consultation with your therapist a treatment will be chosen from a selection of four to meet your specific needs: contouring with uncaria tomentosa, firming with lemon thyme, hydrating with peach milk or exfoliating with bamboo powder.
