SIMPATICO® MIXED MEDIA BRUSHES

Hair - Synthetic Nylon

Media - Mixed Media

Handle - Short Wood Handle, Seamless Nickel-plated Brass Ferrule

Technique - Fine Art

Simpatico® brushes by Loew-Cornell were specifically designed for mixed media application. This line of brushes features high-quality blended synthetic nylon that delivers maximum stiffness and durability while still being supple enough for excellent water load and lay-down. This resilient filament works perfectly for active application.

STUDIO ELEMENTS® BRUSH SETS

Studio Elements™ brush sets are a Fine Art brush line developed for intermediate artists. The sets are assembled based on most used brush shapes and sizes. There is little duplication of brushes across all of the sets. Studio Elements™ long handle brush sets are available in bristle and white nylon filaments. Short handle sets are available in golden taklon, natural camel and white nylon filaments.

SIMPLY ART.

CREATIVITY MADE EASY™/MC

Simply Art®/MD products are a complete program designed to encourage beginner artists by offering quality products at a value price. The packaging provides basic art education through easy-to-understand copy and illustrations.

Clear color-coded methodology guides the consumer in navigating media—Drawing (red), Acrylic (berry), Watercolor (blue), Oil (green), and Mixed Media (purple). Trilingual packaging meets the language needs of many consumers.

All products are non-toxic and conform to ASTM: D-4236.
