MSA Snap Brim Sunshade for Hard Hats

Product Information

MSA is proud to introduce the Australian designed Snap Brim as an accessory to our V-Gard Hard Hat range. The MSA Snap Brim provides sun and rain protection for our V-Gard Elite, V-Gard 500 & V-Gard Full Brim Hat to the Australian market. The unique patented design and robust construction ensures the very best coverage available for all MSA Hard Hat users.

Features

- **Sun Smart:**The MSA Snap Brim has a Ultraviolet Protection Factor (UPF) 50+ rating. It provides superior sun protection with minimal effort for anyone working outdoors.
- **Weather Protection:** The Snap Brim's sturdy construction shelters the wearer from the elements including rain and dust
- **UV Protection:** The Snap Brim shields the wearer from harmful UV rays, helping to minimise the risk of skin cancer and its effects
- **Heat Protection:** The Snap Brim's constant shade helps keep the user cool, reducing the risk of sunstroke, heat fatigue and dehydration
- **UV stabilized materials ensure maximum product longevity**
- **The Rigid design will not sag or get heavy in rain.** It uses an easy slip and click fitting to the MSA Hard Hat.
- **Versatile design allows for easy attachment or removal of the neck flap.**
