1. **Protection**

   - **Positive Pressure Respirator (PAPR)**
     - Cap 1: Meets minimum 15 minutes test time
     - Meets applicable OSHA, NIOSH, and DOE regulations

2. **Cautions and Limitations**

   - **Chemical, Biological, Radiological, and Nuclear (CBRN) Protection**
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable CBRN protective clothing requirements
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DOE regulations
     - Meets applicable OSHA, NIOSH, and DE
