

Super V[®] Helmet Instruction Addendum

For Super V Helmet users with an ABS Shell, suspension, and foam impact liner:
The ABS Helmet Assembly **does not** include plastic side shields.

These User's Instructions (P/N 10025122_r4) graphics depict Super V Helmets consisting of a polyethylene shell, suspension, foam impact liner, AND plastic side shields.

Both helmet assemblies meet the requirements of the Canadian Standard for Industrial Protective Headwear CAN/CSA Z94.1-2, Class E. All warnings, cautions, and instructions listed in the user's instructions can be applied to both helmets.

If you have any questions, please contact MSA Customer Service at 1-800-MSA-2222.
