

Maintain lower cartridge inventory to support a complete respirator program!

MSA's Advantage 420 Half-Mask Respirator Threaded Cartridge Assembly gives users an even more versatile product! MSA's Advantage 420 Half-Mask Respirator is NIOSH-approved for use with both MSA Comfo threaded Cartridges and Advantage bayonet-style Cartridges.

MSA—your best choice for APR!

The Advantage 420 Respirator Threaded Cartridge Assembly includes complete facepiece and two threaded cartridge adapters, assembled.

Easily remove adapters for use with bayonet or Flexi-Filter® Pads.

- ▶ Integrates easily with other PPE
- ▶ Offers choice based upon individual preferences
- ▶ Easy, fast cleaning and minimal maintenance

Ordering Information

Part Number	Description
10119574	Advantage 420 Threaded Cartridge Assembly, large
10119575	Advantage 420 Threaded Cartridge Assembly, medium
10119576	Advantage 420 Threaded Cartridge Assembly, small

Reduce cartridge expense by using any cartridge styles for primary and alternative respirator types. Cartridge adapters are also available for use with MSA's Advantage 4000 Respirator.

Simple conversion from bayonet to threaded cartridge styles

Note: This bulletin contains only a general description of the products shown. While uses and performance capabilities are described, under no circumstances shall the products be used by untrained or unqualified individuals and not until the product instructions including any warnings or cautions provided have been thoroughly read and understood. Only they contain the complete and detailed information concerning proper use and care of these products.
