

V-Series Stretch Energy-Absorbing Lanyards **Conversion Guide**

ANSI

Complex Worksites. Simplified Solutions.

The V-Series stretch shock absorbing lanyard line simplifies product selection by offering a concise line of lanyards that meet a wide range of customer needs. Reduce snag and trip hazards, and increase worker flexibility with the stretch style of webbing. Abrasion resistant cover for the energy absorber provides additional protection for increased service life. All stretch lanyards can be easily identified by the  icon on the energy absorber's cover.
