

V-SHOCK™ 10-ft. Personal Fall Limiters

Ruggedized

A rugged overmold housing provides unsurpassed durability in abusive environments and cuts down the replacement cycle of units from one project to the next, ultimately saving you money.

Versatility

A swivel eyelet provides better worker mobility and versatility by preventing the tangling of the lifeline and not impeding worker movement.

No External Energy Absorber

The radial energy absorber is protected and sealed off from the outside environment which extends the life cycle of the unit.

WE KNOW WHAT'S AT STAKE.
