

V-FORM™ Full-Body Harness

Superior Comfort

The racing style quick connect buckle allows for a close, comfortable harness fit —eliminating the need for bulky chest straps or cumbersome buckles.

Increased Flexibility

The racing style quick connect buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

Ease of Use

New hex style stitch patterns make finding broken threads easy when inspecting the harness.

WE KNOW WHAT'S AT STAKE.
