

Cancer is an increasing concern for firefighters. According to “A Study of Cancer among United States Firefighters,” being conducted by the National Institute for Occupational Safety and Health (NIOSH)/US Fire Administration (USFA), firefighters are more likely than the general population to develop cancer.

*MSA takes this concern seriously and supports Cancer Awareness and Prevention Directives (CAPD) through implementation of standard part numbers for MSA Cairns® Helmet replacement soft goods kits, as well as through our MSA Cairns Helmet **Power Pink** program.*

MSA Cairns Helmet Soft Goods Kits

Many departments have issued CAPD to ensure gear is decontaminated after each exposure to a fire—some even suggest purchasing an extra set of gear to help ensure exposed gear is laundered while having another available in the event of a fire.

MSA offers Cairns helmet soft goods kits. Our kits include a Standard Liner, Nomex Ear Lap, Velcro Tabs and Mesh Laundering Bag. These kits are available as part of the ATO when ordering a helmet, or as easy-to-order part numbers:

Part Number	Description
10160548	Soft Goods Kit: Standard Liner, Yellow Nomex Ear Lap, Velcro Tabs, Mesh Laundering Bag for all Cairns Helmets, except N5A, N6A and 880
10160549	Soft Goods Kit: Standard Liner, Black Nomex Ear Lap, Velcro Tabs, Mesh Laundering Bag for all Cairns Helmets, except N5A, N6A and 880
10160550	Soft Goods Kit: Standard Liner, Yellow Nomex Ear Lap, Velcro Tabs, Mesh Laundering Bag for Cairns 880 Helmets
10160561	Soft Goods Kit: Standard Liner, Black Nomex Ear Lap, Velcro Tabs, Mesh Laundering Bag for Cairns 880 Helmets

To order your kits today, call MSA Customer Service at 1-877-MSA-FIRE or visit the website www.MSAfire.com.

The Safety Company

MSA Cairns Helmet **Power Pink** Program

Because MSA's mission is to see to it that men and women live in safety and health throughout the world—we've joined Susan G. Komen® in support of its mission to save lives and end breast cancer forever.

Mine Safety Appliances Company Charitable Foundation has donated **\$25,000** to Susan G. Komen® in support of its mission. In addition, MSA is donating to Komen 5% of net sales in connection with each **Power Pink** Cairns Fire Helmet sold to our U.S. channel partners through September 30, 2015.

To help end breast cancer forever, purchase any of these NFPA-1971:2013 compliant, participating MSA Cairns **Power Pink** Fire Helmets from Authorized MSA Fire Service Distributors:
