

AirHawk® II Air Mask

Keep the basics. Add the choices.

The new **AirHawk II Air Mask** is a lightweight, durable, and economical SCBA for many industrial applications. This SCBA fits any budget by keeping its lower-cost options while offering many new choices and value options not offered with any other industrial air mask.

- **Safety**
 - ✓ Reduced risk of cross contamination
 - ✓ Wide field of vision, unmatched voice transmission
 - ✓ Lightweight
- **Low Cost of Ownership**
 - ✓ Reduced parts inventory and costs
 - ✓ Reduced maintenance time
- **Serviceability**
 - ✓ Lifetime Warranty
 - ✓ 2000 C.A.R.E. certified locations
 - ✓ Personnel and resources to handle any problem
- **Options & Flexibility**
 - ✓ Meets compliance needs at a competitive up front price
 - ✓ Transfill, Self-Rescue, and Fire-hardening options are available providing safety features not available on most industrial SCBA

NIOSH approved under Title 42 CFR, Part 84 – Subpart H
