Temple options	Various

SPECIAL FEATURES

- Resilient & Durable frame with 8.0C wraparound lens gives the fashionable & characteristic image of this spectacle while providing a pressure-free fit with the acutest vision & most panoramic view as well as maximal impact protection
- The optional foam carrier can not only provide the snug fit but also offer the vent control (direct or indirect vent) for different working conditions. While the foam carrier attached, the upper and bottom vents become indirect airflow.
- The temples, with vented parts, not only provide better ventilation, but also bring 2-color image.
- Scratch-resistant, hard coated 100% polycarbonate lens filter out more than 99.9% of harmful UV light

Meet	ANSI Z87.1-2010 & CE EN166
