

Your expertise. For the safety solutions of tomorrow.

MSA stands for the development, production and sales of professional safety equipment and gas detection technology: We are „The Safety Company“. We have been developing products that save lives for over 100 years – from innovative harness systems to smart gas detection devices. Customers in 140 countries put their lives in our hands every day. Our more than 4,700 employees in 42 locations worldwide accordingly take on great responsibility. Together we pursue one objective: We make the lives of workers in action safer.

For our team in **Berlin**, Germany, temporarily until 31.12.2018,
we are looking for a highly skilled and motivated

Engineer (m/f) Production Engineering and/or Industrial Engineering and/or Mechanical Engineering

Your task in our team

- You identify and quantify saving opportunities.
- You apply and implement REFA, MTM and Lean Production methods.
- You improve existing processes.
- You conduct value stream analyses and perform set-up-times-optimization and layout optimization measures.
- You create reports.

Your profile: Expertise meets experience

- You are able to manage multiple projects and tasks simultaneously.
- You can identify interdependencies and priorities.
- You are very strong in MS Excel, Word, Access and PowerPoint, as well as in Visio.
- You have experience and understanding of production- and planning-processes.
- You have good skills in English and German which you use in technical conversations.

MSA as an employer: What makes us unique

Only with the best employees we are able to remain a leader of innovation. We provide the ideal environment for our employees:

- **Individual career paths:** We offer various development prospects on the basis of personal wishes and talent.
- **Flexible working hours:** Alongside our flexitime model, there is also the option of working from home.
- **Swift decisions:** We combine the stability of an established company with the functioning of a young technology enterprise.
- **Fantastic team:** Benefit from the diversity of your highly qualified colleagues and work with them to further hone your skills!

Interested?

We are looking forward to receiving your application. Please send your application documents in English with details of your desired salary and earliest start date by e-mail to: **Karriere@MSAsafety.com**
