### NEW C.A.R.E. SPECIAL TOOL KITS

MSA has created three (3) new special tool kits for C.A.R.E certified air mask maintenance. These kits provide the special tools, lubricants, and adhesives needed to support the FireHawk® family of air masks.

Included with these kits are four (4) new o-ring tools to make o-ring installation easier. The kits are supplied in a 10" x 12" bag.

**NOTE:** Special tools to support 1/4 Turn and airline respirators are not included in these kits, but are listed for reference by part number (Table 5).

#### **FIREHAWK AIR MASK KIT (P/N 10120423)**

Kit includes special tools, lubricants, adhesives, and flow test manifolds to support FireHawk Air Masks (Table 1).

**Table 1**

FireHawk Air Mask Kit (P/N 10120423)		
P/N	QTY.	Description
26875	1	sealant, Loctite 271
28907	1	tape, Teflon, pipe thread sealing, 1/4"
29787	1	sealant, Loctite 222, 50ml bottle
466008	1	wrench, locknut valve
482426	1	CRP-tool, extraction, Audi-Larm™ Audible Alarm
494445	1	wrench, spanner, MMR
494992	1	lubricant, silicone, 1/2 oz
600469	1	sealant thread, Loctite 290
600920	1	detector, gas leak, liquid, "Snoop"
602976	1	adhesive, Black Max, Loctite 38050, 1 oz
604070	1	lubricant, fluorinated, Christo-Lube
633411	1	spatula, plastic
636060	1	tool, dental burnishing
814889	1	tool, installation, o-ring
10050211	1	lever height adjustment kit, Firehawk® Regulator
10064117	1	manifold assembly, test, PR14® Regulator, Threaded
10064120	1	manifold assembly, test, PR14 Regulator, Quick-Connect
10069386	1	bracket, test, PR14 Regulator
10090457	1	gauge, fork, Firehawk Regulator
10120424	1	tool, o-ring, size 007, depth .33, powerflow
10120425	1	tool, o-ring, size 010, depth .55, powerflow
10120426	1	tool, o-ring, size 007, depth .29, powerflow

#### **FIREHAWK M7 AIR MASK KIT (P/N 10120427)**

Kit includes special tools, lubricants, and adhesives, to support FireHawk M7 Air Masks (Table 2).

**NOTE:** Flow test manifolds are not included, but are available separately (Table 3).

**Table 2**

FireHawk M7 Air Mask Kit (P/N 10120427)		
P/N	QTY.	Description
26875	1	sealant, Loctite 271
28907	1	tape, Teflon, pipe thread sealing, 1/4"
29787	1	sealant, Loctite 222, 50 ml bottle
466008	1	wrench, locknut valve
482426	1	CRP-tool, extraction, Audi-Larm Audible Alarm
494992	1	lubricant, silicone, 1/2 oz
600469	1	sealant thread, Loctite 290
600920	1	detector, gas leak, liquid, "Snoop"
604070	1	lubricant, fluorinated, Christo-Lube
633411	1	spatula, plastic
636060	1	tool, dental burnishing
814889	1	tool, installation, o-ring
10050211	1	lever height adjustment kit, Firehawk Regulator
10069386	1	bracket, test, PR14 Regulator
10090457	1	gauge, fork, Firehawk Regulator
10120424	1	tool, o-ring, size 007, depth .33, powerflow
10120425	1	tool, o-ring, size 010, depth .55, powerflow
10120426	1	tool, o-ring, size 007, depth .29, powerflow

**Table 3**

FireHawk M7 Flow Test Manifolds	
P/N	Description
10064117	manifold assembly, test, PR14 Regulator, Threaded
10064120	manifold assembly, test, PR14 Regulator, Quick-Connect

## NEW C.A.R.E. SPECIAL TOOL KITS

### FIREHAWK M7 RESPONDER AIR MASK KIT (P/N 10120428)

Kit includes special tools, lubricants, adhesives, and quick-connect flow test manifolds to support FireHawk M7 Responder Air Masks (Table 4).

**Table 4**

FireHawk M7 Responder Air Mask Kit (P/N 10120428)		
P/N	QTY.	Description
26875	1	sealant, Loctite 271
28907	1	tape, Teflon, pipe thread sealing, 1/4"
29787	1	sealant, Loctite 222, 50 ml bottle
466008	1	wrench, locknut valve
482426	1	CRP-tool, extraction, Audi-Larm Audible Alarm
494445	1	wrench, spanner, MMR
494992	1	lubricant, silicone, 1/2 oz
600469	1	sealant thread, Loctite 290
600920	1	detector, gas leak, liquid, "Snoop"
604070	1	lubricant, fluorinated, Christo-Lube
633411	1	spatula, plastic
636060	1	tool, dental burnishing
814889	1	tool, installation, o-ring
10064120	1	manifold assembly, test, PR14 Regulator, Quick-Connect
10069386	1	bracket, test, PR14 Regulator
10086032	1	driver, nut, pneumatic assembly, FireHawk M7 Air Mask
10090457	1	gauge, fork, Firehawk Regulator
10120424	1	tool, o-ring, size 007, depth .33, powerflow
10120425	1	tool, o-ring, size 010, depth .55, powerflow
10120426	1	tool, o-ring, size 007, depth .29, powerflow

### TOOLS AND ADHESIVES, 1/4 TURN AIR MAK

Special tools and adhesives to support the 1/4 Turn and **not** included in the FireHawk Air Mask Kit (P/N 10120423) are shown in Table 5.

**Table 5**

Tools and Adhesives NOT included in Kit P/N 10120423	
P/N	Description
496317	tool, adapter, MMR, for Ultravue® Facepiece
602706	adhesive, Loctite 425
603556	adhesive, RTV Silicone, color clear
496268	spanner, thrust ring, MMR
494261	adapter, spanner, torque wrench
10006007	adapter assembly, 1st stage test

### INDUSTRIAL AIR MASKS AND AIRLINE FLOW TEST MANIFOLDS

**Table 6**

Industrial Air Masks and Airline Flow Test Manifolds	
P/N	Description
496568	adapter, airline, for PremAire®, Hip-Air™, and dual-purpose
10006007	adapter assembly, test, AirHawk® Respirator
10104068	manifold assembly, test, AirHawk II Respirator
10075663	manifold assembly, PremAire Cadet Escape Respirator
