To:	MSA Canada, End-Users
Subject:	Fall Protection Recertification/Repair Price List with Spreadsheet
Date:	December 1, 2015

Dear Valued End-User:

Please find included, our new Flat Fee Price List for Fall Protection Service on page 2 of this notification which takes effect January 1, 2016.

We require that all units sent to us, regardless of Recertification or Repair, be accompanied with a Purchase Order, Credit Card Number or direction on how to charge for the work performed for at least the cost of a Recertification as this will speed up the process and help us return the product to you as quickly as possible. If our examination reveals that the unit has to be Repaired or Upgraded we will notify you and get your approval to complete the repair(s) based on the Flat Fee list price for a Repair/Upgrade. There will be no itemized Estimates or Quotations provided for items with a Flat Fee price

The Repair Centre will charge an Inspection fee of \$ 110.00 if a Customer elects not to proceed with a Repair or Upgrade; **however this fee will be waived** should the End-User agree to purchase a new MSA Fall Protection Device.

Feel free to call the MSA Edmonton Repair Centre at (888) 396-1067 or the Toronto Repair Centre at (800) 672-4678 for further details or questions.

We, the MSA Canada Repair Centre's, appreciate our business partnership with your organization and look forward to continuing efforts of servicing our customers.

Sincerely,  
Jim Clark
