

# MSA Gravity Miners Belts

Datasheet

## Product Details

The Gravity Miners Harness and Belt range has been designed specifically for use in the mining industry. Harsh environmental conditions and unique hazards demand fall protection equipment and utility belts that are durable, long lasting and multi-functional. This premium solution is constructed using stainless steel buckles and adjusters ensuring longer life in corrosive environments.

The equipment belt is purposefully designed to provide an ergonomic solution for the carrying of MSA Self-Rescuers, such as the SSR 30/100 and SavOx devices.

## Product Features

- Designed for adjustability, ergonomics and comfort for extended periods of use
- AS/NZS 1891.1:2007 Certified (EN Compliant) Harness configuration

- Breathable waist pad constructed from a multi-layered padding which dissipates pressure from the load bearing waist belt

- Tongue buckle load bearing waist belt, designed specifically to work with the MSA Self Rescuer range

- Gear loops for greater functional use

- Steel Fittings

## Ordering Information

### Gravity Miners Belt

Description	Part Number	SIZES		
		Small	Medium	Large
GRAVITY MINERS BELT	10158657	X		
	10158656		X	
	10158655			X
GRAVITY MINERS BELT WITH SHOULDER STRAPS	10158661	X		
	10158660		X	
	10158659			X

### Gravity Miners Harness

Description	Part Number	SIZES		
		Small	Medium	Large
GRAVITY MINERS HARNESS	10158704	X		
	10158703		X	
	10158702			X
