## **Congratulations to the 2012 John T Ryan National award winners**

Named after one of MSA's founders, MSA has been the proud presenter of the **John T Ryan Trophies** in Canada since 1942.

These trophies are awarded by the Canadian Institute of Mining, Metallurgy and Petroleum (CIM) to the metalliferous mine, the select mine and the coal mine which in the previous year experienced the lowest reportable injury frequency per 200,000 hours worked in Canada.

MSA would like to extend our congratulations to this year's winners:

National Trophy for Metal Mines

***Xstrata Copper's Kidd operations - Timmins, ON***

National Trophy for Select Mines

***PotashCorp New Brunswick Division - Sussex, NB***

National Trophy for Coal Mines

***Prairie Mines & Royalty Ltd, Genesee mine - Genesee, AB***

Congratulations once again,
