The new generation of helmets for pilots and crew members

Trust & Durability

For nearly 100 years, our passionate mission of safety empowers us, “The Safety Company”, to protect lives. We are committed to providing the latest in innovative, best-in-class safety solutions that feature integrated systems capability and allow our customers to return “Home”, safely to their families and friends.

Every day our customers place their lives in our hands. In return, we provide them with protection they can trust, and their stories become our stories. Hand in hand we partner with our customers to earn that trust.

At MSA, Every Life has a Purpose.
