

Safety at the Speed of Now

MSA ALTAIR® Connect App

MSA's integrated Bluetooth connectivity enables scalable solutions that eliminate the need for costly investments in wireless infrastructure.

Android-based Bluetooth connectivity is the basis for these solutions. By incorporating Bluetooth as a standard feature in select portable gas detectors, MSA offers wireless safety benefits to everyone.

By downloading the MSA ALTAIR Connect App from Google Play and pairing with any compatible Android* device, your gas detector can be turned into an enhanced safety and productivity tool.

Safety Awareness

- Receive gas detection readings, alarms and man-down alerts
- Send emergency SMS text notifications with GPS location# to single or group recipients
- Short-range replication of live instrument readings

Maintenance and Operational Support

- Configure instruments remotely, without the need for a PC
- View and email# event record

Improved Safety Management and Compliance

- View and email# calibration certifications
- Awareness of lone worker or remote instrument events
- Platform allows for integration of third-party engineered systems or subscription safety services

*MSA ALTAIR Connect App is supported for Android OS versions 4.0 and higher
using Android device-based application or function.

Note: This bulletin contains only a general description of the products shown. While uses and performance capabilities are described, under no circumstances shall the products be used by untrained or unqualified individuals and not until the product instructions including any warnings or cautions provided have been thoroughly read and understood. Only they contain the complete and detailed information concerning proper use and care of these products.
