## **MSA Management to Meet with Members of the Financial Community in Milwaukee, Wis.; Denver, Colo.; and Chicago, Ill.**

---

PITTSBURGH, March 5, 2014 – MSA (NYSE: MSA) the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures, announced today that members of its management team will be participating in a non-deal roadshow hosted by Global Hunter Securities (GHS) on March 6 and 7, 2014, in Milwaukee, Wis. and Denver, Colo., respectively.

In addition, members of the management team will meet with various members of the financial community at the GHS Infrastructure and Construction Conference on March 19, 2014, at “The Library” in Chicago, Ill.

### **About MSA**

---

*Established in 1914, MSA is the global leader in the development, manufacture and supply of safety products that protect people and facility infrastructures. Many MSA products integrate a combination of electronics, mechanical systems and advanced materials to protect users against hazardous or life-threatening situations. The company's comprehensive line of products is used by workers around the world in a broad range of industries, including the fire service, the oil, gas and petrochemical industry, construction, mining and utilities, as well as the military. Principal products include self-contained breathing apparatus, fixed gas and flame detection systems, handheld gas detection instruments, head protection products, fall protection devices and thermal imaging cameras. MSA, based north of Pittsburgh in Cranberry Township, Pa., has annual sales of approximately \$1.1 billion, manufacturing operations in the United States, Europe, Asia and Latin America, and 42 international locations. Additional information is available on the company's Web site at [www.MSAafety.com](http://www.MSAafety.com).*
