

**Installation Instruction**  
**MSA/XTIRPA™ Brackets**

US

Order No.: 10167065/01

### Warning

National standards and state, provincial, and federal laws require the user to be trained before using this product. Use this manual as part of a user safety training program that is appropriate for the user's occupation. These instructions must be provided to users before use of the product and retained for ready reference by the user. The user must read, understand (or have explained), and heed all instructions, labels, markings, and warnings supplied with this product and with these products intended for use in association with it. Failure to do so may result in death or serious injury.

### Warning

Always use only the manufacturer's original mounting pins and hardware. Mounting pins and hardware must always be secured and tightened in place. Failure to follow this warning may result in death or serious injury.

XTIRPA™ products are manufactured by Innova Public Utility Products Inc.
