

# Custom-Logoed Cylinders from MSA

*Actual Size*

Now, MSA can custom logo your fire department's identification information on new Stealth™ cylinders quickly and effectively using a proven method for placing the logo under the protective coating of the cylinder.

Choose from one of three emblems for a one-color red or black logo identification band located on the side of your new Stealth carbon-wrapped cylinders. You can add the name of your department and city for fast visual identification of your department's property.

**To place your order, simply complete the 5-step order form (see reverse side) and ask your MSA-authorized Fire Service Distributor to FAX it to MSA's Customer Service Center at 1-800-967-0398.**
