PointGuard Residential
P/N 10042792

Anchorage connector strap provides a secure point of attachment for residential or concrete construction application. Install in seconds; when finished, cut the protruding strap and discard.

PointGuard Concrete
P/N 10042794

Install the PointGuard Concrete Anchorage Strap by sliding the sewn loop onto the rebar before pouring the concrete form. Allow concrete to cure before using the PointGuard Strap as an anchorage point.
