It was a horrific workplace tragedy that led to the creation of MSA back in 1914. In the decades that have come and gone, we’ve never forgotten where we came from, or why we’re here. At MSA, your safety is what drives us every single day. Our goal is to provide our customers with dependable, high-quality safety solutions to help ensure a safe return home at the end of each work day.

Around the world, firefighters rely on MSA for personal protection.

Thanks to its three centres of excellence in Germany, France and Sweden, MSA serves the European Fire Service market and offers you the very best in protection:

- MSA in Berlin, Personal Protective Equipment
  - Self-Contained Breathing Apparatus
  - Personal Network System with telemetric monitoring
  - Full Face Masks & Escape Hoods
  - Gas Detection

- MSA in Châtillon, Head Protection
  - Gallet F1 Structural Firefighting Helmets
  - F2 X-TREM Fire and Rescue Helmets
  - Communication Systems

- MSA in Värnamo, Hearing Protection
  - Passive and Electronic Ear Muffs

The great breadth of technologies, products and services we offer is unique to the market.

Providing the best products, service and support to firefighters. That’s MSA’s passion.
