Cordless vacuums

Model	DC58	DC59 Animal
Range name		Dyson Digital Slim (mk3)
Claim	Three times the suction power of any handheld in use.	Sucks up as much dust as a conventional vacuum.* Without the hassle of a cord.
Caveat (*)	n/a	To prove this our engineers test for pick up performance across carpets (ASTM F608), hard floors (ASTM F2607) and hard floors with crevices (IEC 60312-1 5.2). To mimic actual use, they load machines with dust before testing (IEC 60312-1 5.9).
