

## Permatex® Silicone Ceramic Extreme Brake Parts Lubricant

### Directions

#### Part # 80653 DIRECTIONS:

1. Clean parts to be lubricated with Permatex® Brake & Parts Cleaner.
2. Apply small amount to caliper hardware and backing plates to create uniform surface areas and prevent noise.
3. Lubricant may also be used as a noise suppressor to eliminate caliper brakesqueal by applying to the BACK of the brake pad.

DO NOT APPLY TO ANY BRAKING SURFACES
