

Engine Repair Conversion Sets (CS)

Coverage without the cost

NAPA Gaskets by Fel-Pro® Conversion Sets provide every gasket necessary for lower engine work. And like all NAPA Gasket Sets, they always include the latest in premium problem-solving technologies – no upgrade is necessary.

These sets also allow Head Sets to do double duty since a Head Set, when combined with a Conversion Set, can be used for a complete overhaul or as a Full Set.

Major Components of Conversion Sets:

- Oil Pan Gaskets
- Crankshaft Seals
- Timing Cover Gaskets
- Water Pump Gaskets
- Rear Main Seals
- and other ancillary gaskets
