Dana-Engineered for the Aftermarket

Spicer Select commercial vehicle
aftermarket drivetrain products by Dana

Built with Integrity. Engineered by Dana.

Spicer Select drivetrain products are purpose-built using Dana data, testing, and expertise to ensure optimal fit and performance. Our drivetrain products are designed to engineering standards you and your customers can trust for aging vehicles that still have a job to do.

PURPOSE-BUILT

Premium, aftermarket replacement parts

Dana SELECTS

- The right manufacturing processes
- The right product
- The right design specs
- The right quality level

Customers SELECT

- A name they trust
- A product that is Dana-engineered
- The quality level they need

Products: U-joints, axle bearing kits, strap kits, and center bearings

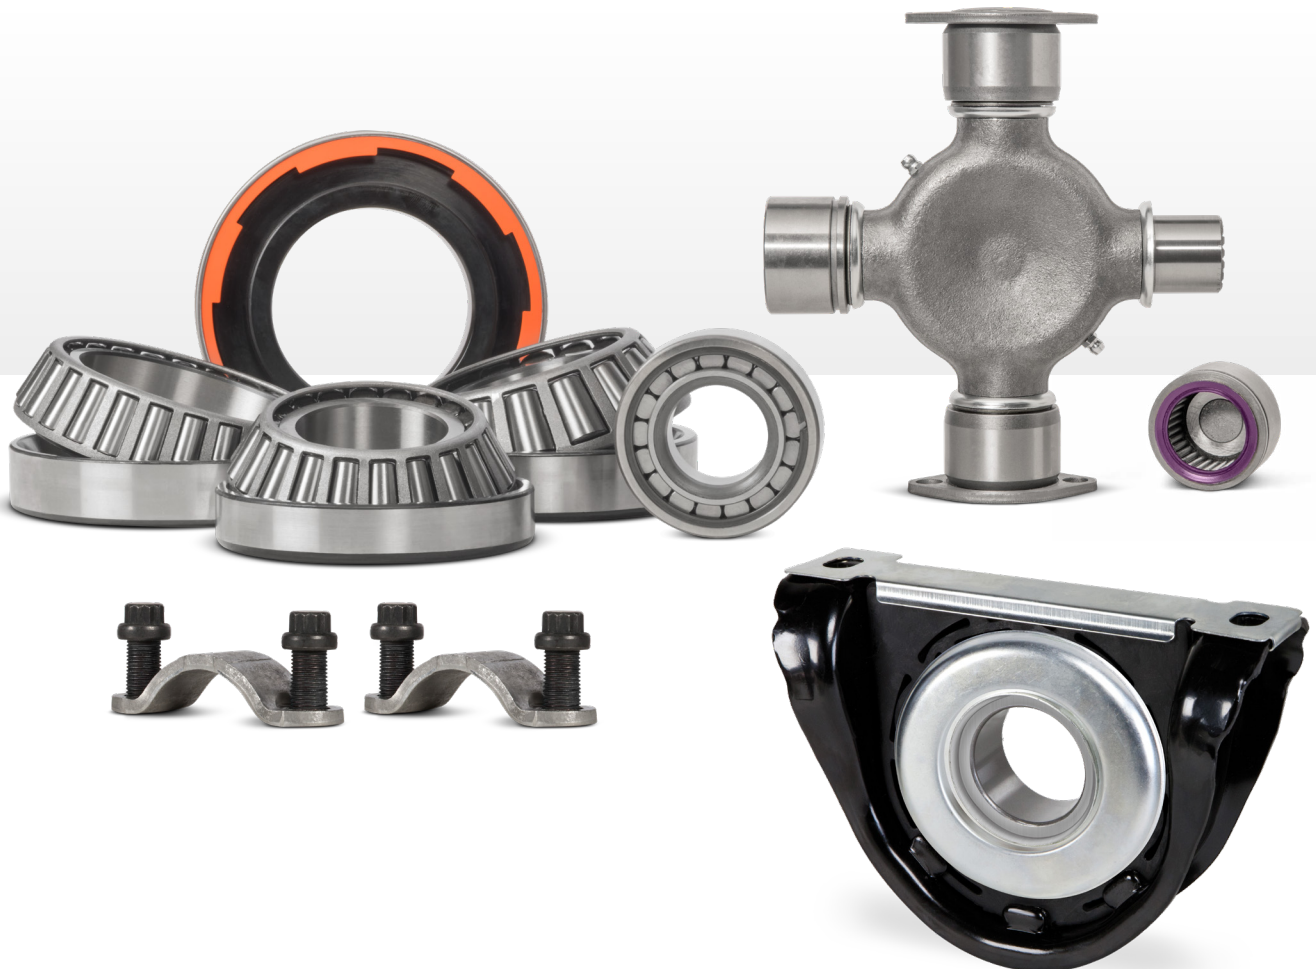

Drivetrain Products from a Leader in Drivetrain Performance.

When it comes to repairing and maintaining vehicles, Spicer Select aftermarket drivetrain products by Dana go the extra mile to meet the unique needs of the aftermarket.

Product offerings include:

- **Spicer Select U-Joints:** Designed to handle the demands of commercial applications.
 - Standard u-joints help provide long life and deliver exceptional performance.
 - **NEW** Service-free u-joints are permanently lubricated and sealed to provide reduced maintenance time and cost, promote ease of service, and extend u-joint life. Interchange for Meritor® Permalube™ RPL Series driveline parts.
- **NEW Axle Bearing Kits:** Includes premium bearings, sealant, and adhesive — everything needed for a full, turnkey axle rebuild.
- **Strap Kits:** Designed for a secure fit and durable retention to keep u-joints secure.
- **Center Bearings:** Constructed to maintain a proper driveline angle to maximize driveshaft and component life, reduce contamination, and provide longer part life.

The Parts You Need to Get the Job Done Right.

COMMERCIAL PARTS

Refer to the charts to find your current manufacturer's part number, and look for the Spicer Select product that can deliver reliable, Dana-backed performance for your vehicle.
