## SPICER® SPL170 U-JOINT PRODUCT ENHANCEMENT AND NEW PART NUMBER RELEASE

### PART NUMBER INFORMATION

DATE: July 11, 2011

TO: All Dana Aftermarket Group Spicer® Universal Joint Customers

Dana Aftermarket Group is pleased to announce the release of the new and improved Spicer® SPL170-4X universal joint kit. Effective Monday July 18, 2011, this part will supersede the SPL170-3X.

Significant improvements in the SPL170-4X includes:

- 40% larger bearings for improved performance over the life of the u-joint.
- A redesigned bearing seal with a more robust material for optimum performance in all environments.
- A redesigned seal guard for better retention.

**It is important to note** that we are maintaining the current SPL170-3X pricing on the new SPL170-4X, so you can enjoy this enhanced and longer lasting product at no additional charge.

All open orders dated after July 18, 2011 will be superseded to the SPL170-4X.

As always, we appreciate your business and continued support of genuine Spicer products.
