POWER SPORT – LEGEND PREMIUM AGM

- *Ideal for power sport applications such as motorcycles, ATVs, personal watercraft, snowmobiles and utility vehicles.*
- *Built to last longer with vibration resistant design and tough external construction to withstand extreme weather conditions.*
- *AGM Valve-Regulated design eliminates acid spills and terminal corrosion.*
- *Legend Premium starting power even after months of storage.*
- *Batteries come ready for use with no initial activation or acid filling required.*
- *Maintenance-free construction eliminates the need to add water.*
- *Requires less charging time than conventional batteries.*
- *Over 250 quality control checks ensure long life, maximum performance, and a battery you can trust.*
